Purpose	Armidale & District Family Day Care recognises that Educators working 5 days per week may need to book appointments during working hours. On these occasions, Coordinators can be contacted to provide “flexitime” care in the Educator’s home or at the playsession venue to ensure continuity of care for the children and to minimize disruption for the families.
Responsibility	Educators, Coordinators

Key information:

- **Flexitime bookings can be arranged if and when Coordinators are available. These bookings will be charged at a rate of \$25 per hour (unless the appointment relates to having anchor points /car restraints checked for re- registration).**
- **An emergency arising within the Service, or reduced staffing levels, may affect the availability of flexitime.**
- **Only one flexitime booking can be arranged at a time for the Service’s playsession.**
- **Families must be advised they have the right to withdraw their child from care for the period of flexitime if they choose to. They will not be charged for this period of time.**

Procedure/s:

- As flexitime is limited to one hour, Educators are encouraged to make their appointments either at the beginning of the day or the end. The children can then start care later that day or finish earlier
- The Educator contacts their visiting Coordinator in advance to discuss the possibility of flexitime (the date, time and likely duration of the proposed flexitime).

- The Educator discusses the proposed flexitime with families and obtains their written permission (Flexitime Permission form). Completed permission forms need to be supplied to AFDC or the Coordinator who is providing flexitime.
- Provide the Coordinator with details of the children's needs before leaving for your appointment and discuss the change in routine with your group of children, reassuring them that you will be back soon.
- If flexitime is booked at playsession, identify each child with a name tag sticker placed on their back.
